DRY WILL REACH TO 300

For a Hard and Strenuous Campaign Election Came to Close—Every Precinct in County Said to Have Voted Dry—Saloons Close Today.

The wet and dry election in Bradford county, which was pulled off Tuesday after an exciting and strenuous campaign on the part of both sides, resulted in a decided victory for the dries, to whom the wets conceded a majority in the county of about 300.

It is stated that every precinct in the county went dry, although the vote in some was rather close. In Starke, the county seat, the majority for the dries was only three, while Lawley piled up the same result.

A letter from Starke to a party in this city, dated the 21st inst., bears information that the saloons will close at noon today.

With the success of the dries in Bradford every county from Duval to the Gulf at Cedar Key will be dry and those who desire to refresh themselves with a little "enthusiasm" will find it necessary to purchase tickets to Jacksonville.

#### A WONDER OF RANGUN.

The Great Shony Dagon Pagoda Covered With Pure Gold.

Rangun, the principal city of Burma, grew up around the sacred spot on which is built the great Shony Dagon pagoda, one of its principal wonders. "Rising to a height of 300 feet, its size is greatly enhanced by the fact that it stands on an eminence that is itself 100 feet above the level of the city," says a writer. "It is covered with pure gold from base to summit, and once in every generation this gold is completely renewed by public subscription. Yet throughout the interval the process of regilding goes on perpetually. Pious people who seek in this way to express their veneration and to add to their store of spiritual merit climb up daily with little fluttering packets of gold leaf, which they fasten on some fraction of its great surface. There is no more picturesque sight offered by it than that of a group of these silken worshipers outlined high against its gold in the act of contributing their small quota to its splendor. The pagoda itself has no interior. It is a solid stupa of brick raised over a relic chamber."
